

ESP Fellowships for attending the 16th Congress of the European Society for Photobiology

Dear ESP Member,

The European Society for Photobiology (ESP) is pleased to announce that a number of ESP fellowships will be made available to young photobiologists to stimulate their participation in the 16th Congress of the European Society for Photobiology, which will be held in Aveiro (Portugal), from August 31 to September 4, 2015. See <http://aveiro2015.photobiology.eu>
Applications from senior scientists from less privileged countries will also be considered.

The successful candidate will be provided with 100% registration fee waiver, 5 nights free accommodation in the University campus, a free ticket to the congress dinner, and 100 euro to help cover the living expenses.

Eligibility conditions:

- 1) The applicant should ideally be a PhD student or early-career researcher.
- 2) The applicant must be an ESP member in 2015.
- 3) The applicant must submit an abstract to the 16th ESP Congress.
- 4) The applicant's supervisor or sponsor must be ESP member in 2015.

Submission of applications:

Applications should be sent by e-mail to the Chairman of the Education and Training Committee at esp1986education@gmail.com.

The deadline for application is April 15, 2015.

The application letter must be accompanied by:

1. A Statement of Purpose justifying how travel to this meeting will support future career goals.
2. A concise CV of the applicant.
3. A letter of recommendation from the supervisor or sponsor.
4. Copy of the abstract submitted to the ESP congress.
